

2024 GPT 3 Out-of-Practice Education Program – Evening Webinar Series

Please note:

- You are required to attend 8 hours of the evening webinar program – you can choose which 8 hours you attend.
- This 8 hour's is part of your mandatory out-of-practice peer learning time – a requirement of Fellowship.
- You can attend more than 8 hours if you want to.
- You can attend webinars over 2024.1 and 2024.2 as long as you have completed 8 hours prior to your completion of training.
- As the evening program is potentially outside your regular work hours, we suggest you work with your practice manager to understand how this mandatory out-of-practice release time will be managed. Time in lieu may be the best option.
