

Bi-college Accreditation Application Guide

Australian College of Rural & Remote Medicine
WORLD LEADERS IN RURAL PRACTICE

<p>What is required for my practice to become a training site for AGPT Registrars?</p>	<p>View the Accreditation Application Handbook</p>	<p>View the Supervisor and Training Post Accreditation Guide</p>
<p>General Practice Accreditation Requirements</p>	<p>RACGP Standards for General Practice 5th edition are a benchmark for quality care and risk management in Australian general practice and are a mandatory requirement for all general practices to be able to apply to become a training site with either college</p>	
<p>What training standards do we need to meet?</p>	<p>View the RACGP Accreditation Standards for training sites and supervisors: Guide to implementation</p>	<p>View the Standards for Supervisors and Training Posts</p>
<p>How do I know if I am eligible? How do I apply?</p>	<p>Application can be made via either College to be single or bi-college accredited- a support officer will contact you to assist in undertaking this process. A site visit will be undertaken as part of the accreditation process.</p>	
<p>What types of supervisors?</p>	<p>RACGP Application – provided by Regional Accreditation Coordinator</p> <p>College requirements align but supervisors have different titles. Both colleges support remote supervision whilst ensuring compliance with eligibility requirements.</p> <p>Accredited Supervisor -Designated for a particular registrar</p> <p>Accredited Supervisor</p>	<p>View the ACRRM website for application details</p> <p>Principal Supervisor</p> <p>Additional Supervisor</p>
<p>Supervisor requirements for accreditation and maintenance</p>	<p>Both colleges require supervisor participation in the National Supervisor Professional Development Program which may be delivered by either college. Each college will recognise professional development completed with the alternate college as counting towards overall compliance.</p> <p>RACGP requires completion of Foundations of Supervision modules 1-7 prior to the first registrar placement as well as Cultural Awareness Training</p> <p>View the RACGP Practice and Supervisor Handbook</p> <p>ACRRM require the completion of 2 modules within the first 12 months as well as Cultural Awareness training</p> <p>View the Supervisor Handbook</p>	
<p>How do we get paid?</p>	<p>Payments are made by the Department of Health via the Nationally Consistent Payments Framework.</p>	
<p>What if something goes wrong?</p>	<p>View the Adverse event & critical incident management and reporting guidance for training programs</p>	<p>View Serious Issues Reporting</p>
<p>Staying Accredited</p>	<p>Monitored through touchpoints between training site and college, the absence of 'red flags' and completion of a reflection activity</p>	<p>Training post completes a reaccreditation form, updating any details and current evidence, hosts a site visit by a reviewer and provides evidence of compliance with standards</p>
<p>Feedback, complaints and appeals</p>	<p>Both colleges welcome feedback on the accreditation process</p> <p>View the Complaints policy</p> <p>View the Complaints policy</p> <p>Reconsiderations are submitted to the National Accreditation Unit via an Accreditation decision reconsideration request form. If an applicant is not satisfied with the reconsideration decision they are able to apply to the RACGP to appeal the decision.</p> <p>View Reconsiderations, Review and Appeals Policy</p> <p>Reconsiderations are submitted through the request form on the ACRRM website. If an applicant is not satisfied with the reconsideration outcome they are able to apply to the ACRRM to review the decision.</p>
