

2024.1 AGPT Registrar Education Calendar

North Eastern NSW

Term: 2024.1

Stage of training: RACGP registrars in their GPT1 and GPT2 training terms

There are four education nodes within the North Eastern NSW training region. These nodes determine the dates and locations of registrar's formal education. Registrars are allocated to a node on the basis of their training practice location as shown in the map below.

In 2024 RACGP NSW and ACT will offer an [optional additional educational evening webinar program for GPT1-GPT4 registrars](#). Please review the separate program and register your interest to the webinars you wish to attend.

Specific venue details will be sent to registrars in email workshop invitations.

If you are unsure which node you are in, please contact your local Program Support Officer (PSO):

1 - North Coast: Linda Anschau – linda.anschau@racgp.org.au

2 - New England/Northwest: Nina Willson – nina.willson@racgp.org.au
