2024 Victorian Supervisor Professional Development Calendar

The Vic supervisor educational events are being delivered at a regional and local level, both face to face and in online formats to best enable all supervisors to attend. The table below outlines all Supervisor PD events offered within Vic in 2024.

GP supervisors will be invited to attend individual events based on their local training area, however attendance at any event or location is welcome. Face-to face events present an excellent opportunity to connect with your fellow supervisors and medical educators in a friendly and collegiate environment.

Please review the Supervisor Professional Development Requirements and Payments for more information.

Your local training area Supervisor Support team medical educators are available to provide educational support - please see the contact information at the end of the calendar.

Please note, some dates and times may be subject to change. Direct enquiries to Jenny Whyte, Regional Exam Support and Workshop Delivery Officer at jenny.whyte@racgp.org.au
