

2024 AGPT Supervisor Educational Calendar NSW & ACT

The NSW and ACT supervisor educational events are being delivered at a regional and local level, both face to face and in online formats to best enable all supervisors to attend. The table below outlines all Supervisor events offered within NSW and the ACT in 2024.

GP supervisors will be invited to attend individual events based on their local training area. Face-to-face events present an excellent opportunity to connect with your fellow supervisors and medical educators in a friendly and collegiate environment.

Please review the [Supervisor Professional Development Requirements and Payments](#) for more information.

Your local training area Supervisor Education and Support medical educators are available to provide educational support - please see the contact information at the end of the calendar.
