## CELEBRATING THE ART OF GENERAL PRACTICE

Your art can be of any theme, however, you may like to consider the overarching theme for this convention, which is 'Be the future'. The art show is titled 'Celebrating the art of general practice'.

This is a fun art exhibition and everyone is welcome to submit artwork, even if you have never submitted or created before!

The panel of judges will be made up from representatives of Queensland Art Gallery, *Arts and medicine* and a few GPs! Prizes will be awarded in several categories including a popular people's choice award! So please be involved – it is a fun event, designed to express and celebrate the art of general practice and raise funds for a designated charity.

Be part of this exciting event by using your creative talents to celebrate the art of general practice now and into the future.

### CONDITIONS OF ENTRY

Artwork must be the original work of the exhibitor. The college will retain a 30% commission on all works sold, which will be donated to The Fred Hollows Foundation.

Due to space restrictions, only hanging works will be accepted, so works need to be framed or mounted.

Categories for hanging artwork include paintings, photography, drawings, canvas and mixed media.

Artist's full name, title and price must be clearly marked on the back of the each piece.

Artists must be working in or be associated with the college or a general practice setting.

Entries are not limited, however, works will be exhibited at the organiser's discretion, taking into account space available and on advice from the preselection committee.
