The Drug and Alcohol 2016 Conference will address some of the most common addictions and associated conditions that are faced by GPs in their daily practice. Participants will be provided with the latest updates and practical tools for early detection, preventive approaches and management of drug, alcohol and other addiction-related problems.

The conference will be held at RACV Goldfields Resort, Creswick. Located in the heart of the Central Goldfields, the resort is a 90 minute drive north-west of Melbourne CBD and just 20 minutes from Ballarat and Daylesford. In the heart of one of Victoria's main tourist destinations, the resort is an ideal base to explore all the history and culture of the Goldfields region, including Sovereign Hill, Mineral Springs, Daylesford, Macedon Ranges and Spa Country.

RACV Goldfields Resort's facilities include a pool, tennis courts, gym, and a Tony Cashmore designed 18-hole golf course.
