

List of reviewers 2006

All articles submitted to *Australian Family Physician* are sent for blind peer review. Reviewers provide a critical commentary on the scientific quality of the material and its interest and relevance to general practice. This task is undertaken without reward by a large number of people in order to enhance the quality and scientific credibility of published articles. Without the participation of these reviewers, *AFP* would not be able to provide quality material to its readership.

Abby Harwood	Christos Pavlidis	Gerard Gill	Jon Emery	Matthew Armody	Ray Moore
Ajit Venniyoor	Claire Jackson	Gillian Laven	Jonathan Newbury	Md Moniruzzaman	Rebecca Stewart
