RACGP Queensland New Fellows Committee presents: GPs Got Talent

This social event is a celebration of the talents and passions of GPs beyond medicine. A celebration of those creative pursuits that promote relaxation and wellbeing, regenerate our spirit, and renew the joy in our lives and work.

Show your work, or simply come along to experience what others have created. It will provide an opportunity to connect and network with other GPs to broaden self-care strategies and share ideas about the profession.

Submissions are invited for various works to be exhibited including:

- Visual and digital art – painting, drawing, sculpture or photography
- Pre-recorded (or live) acts – dancing, drama, music or singing
- Poetry / short stories

To exhibit your work, please email gld.events@racgp.org.au with details of the piece (photo and measurements of work to be exhibited, file/s for pre-recorded performance or digital art, or description of live performance) by 12.00 pm, Friday 1 November. Please limit performances to five minutes. Note there will be no stage and limited audio visual (projector and lapel microphone) at the event. Works should be in the spirit of tolerance and acceptance and enhance our understanding of wellbeing.

All RACGP members welcome.

To reduce our eco-footprint, we're now offering more opportunities to register online.
