The Queensland Children's Hospital (QCH) in partnership with RACGP Queensland, is delivering the 2020 paediatric masterclass for general practice.

The paediatrics masterclass is the premier paediatric education event for GPs in Queensland, delivered as a six-part (S1–6) webinar series.

- All 90-minute interactive webinars are free
- Sessions are facilitated by QCH experts, with the opportunity for Q&A
- Register for all sessions or choose the most relevant sessions to your practice
- Each session is eligible for three CPD activity points.

S1: The first 2000 days (Part 1) Prenatal screening, newborn screening and the implications for general practice.

S2: The first 2000 days (Part 2) Paediatric dermatology in general practice and measuring progress (poor growth).

S3: The primary school years (Part 1) Asthma, cough and the unified airway, paediatric urological problems; enuresis, urinary tract infection and bladder dysfunction.

S4: The primary school years (Part 2) Assessing the child with headache, or concussion. Measuring progress; poor growth, obesity, paediatric dietetics, health and wellbeing.

S5: Thriving in adolescence (Part 1) Eating disorders, self-harm, suicide prevention and alcohol and drug use.

S6: Thriving in adolescence (Part 2) Adolescent gynaecology, teenage pregnancy, sexual health, creating an adolescent-friendly approach.
