

Appendix A: ADF overseas extended skills training post learning plan

RACGP Education Services | Quality and Compliance

Applications for [ADF overseas extended skills posts](#) must include a detailed learning plan covering each identified learning needs area. A minimum of four learning objectives should be included.

You should save a copy of this document and complete it in consultation with your supervisor. The learning plan is signed and submitted with your application. You must keep a copy of the completed submitted learning plan and review it with your supervisor throughout your post.

Following the post, you must submit a [summary report](#) and include an updated version of the submitted learning plan. You should access the saved copy of the learning plan, update it to reflect the lessons and experiences of the post and submit it to the RACGP with the summary report.
