TWO DAY PROGRAM LAUNCH. BRISBANE - MARCH 2020. INSPIRING KEYNOTE SPEAKERS.

This program is designed to help you recognise your strengths, challenge you to think strategically and produce beneficial change. Most importantly, the program will increase your confidence as a leader and enable you to influence either as a leader where you are now or at a national level.

Delivered primarily online, with webinars and video conferencing, this eight month program will include:

- Focus on self: Identifying your values and how these impact on your efficacy as a leader.

- Focus on others: apply techniques and methods for influencing and achieving change

- Focus on the future: how to take a 'birds eye' view of what is happening and identify ways forward whilst navigating systems

An information webinar on the program structure and requirements will run on Wednesday 30 October at 7pm AEST. To register your interest and receive the webinar link, **please email leadershipdevelopment@racgp.org.au**

The Future Leaders program represents an investment by RACGP in leadership development for successful applicants. Travel and accommodation costs are not included.

We welcome applications from all sectors of the general practice community and we strongly encourage applications from Aboriginal and Torres Strait Islander communities.

Applications close Friday 6 December 2019
