

Program 2015

All RACGP members have free online access and optional hard copy subscriptions to the *check* Program.

The *check* Program is a monthly quality improvement and continuing professional development (QI&CPD) activity and independent learning program developed by The Royal Australian College of General Practitioners.

Each *check* case, written by expert clinicians, includes a brief clinical scenario followed by a series of points designed to bring out the important issues for GPs to consider in the clinical history, examination, investigation and the management of patients.

QI&CPD Program

Each *check* Program unit provides an opportunity for GPs to attain six Category 2 points in the RACGP QI&CPD Program.

Individual activities involve reading and completing the unit, then answering 10 multiple choice questions at www.gplearning.com.au
