

## Program 2018

All Royal Australian College of General Practitioners (RACGP) members have free online access and optional hard copy subscriptions to the *check* Program.

The *check* Program is a monthly continuing professional development (CPD) activity and independent learning program developed by the RACGP.

Each *check* case, written by expert clinicians, includes a brief clinical scenario followed by a series of points designed to bring out the important issues for GPs to consider in the clinical history, examination, investigation and the management of patients.

### CPD Program

Each *check* Program unit provides an opportunity for GPs to attain six Category 2 points in the RACGP CPD Program.

To obtain CPD points for *check* activities, please visit the *gplearning* platform via your RACGP account.

Once your order has been lodged we will issue an invoice for payment.

Your order will be dispatched once full payment has been received.
