Email

Please select the category you are evaluating

- 1. Training post
- 2. Supervision (remote/team/Aboriginal health)
- 3. Alternatives to hospital training
- 4. Other – please specify

Clarifying information

1. How successful was the trial for the registrar and the supervision team?

2. What were some of the challenges that presented during the trial phase?

3. How were these challenges overcome?

4. What changes would you implement following consultation with the registrar and supervision team/supervisor once the training time is completed?

5. How likely is it that you recommend the process to other registrars in the future?

Declaration

The RTO agrees that any repeatable, RACGP approved process may be de-identified and published for use by others.

Please email your completed form to vtstandards@racgp.org.au with a copy to the relevant Censor or post to 100 Wellington Parade, East Melbourne VIC 3002
