

GP Training Team

Training Coordinator (TC):

- Focus: go-to-person for support, administration & coordination
- Works closely with MEs
- Contact for training program requirements – e.g. placements, education hours, exam eligibility – and maintains training records

Medical Educator (ME):

- Focus: education
- RACGP fellow
- Teaching and education, mentoring and advice (particularly where clinical experience is required), exam support and remediation
- May also have supervision and ECTV experience
- Supports professional development for training practices and supervisors

Registrar Medical Educator (RME):

- Focus: training and education
- RACGP registrar
- Supports MEs to deliver the training program locally

Support/Liaison Team

National GPs in Training (GPiT) Faculty

- Focus: Represents medical students, pre-vocational doctors, registrars and new fellows
- Advocates within the RACGP to improve GP training and ensure registrars' concerns are addressed
- The GPiT Council is elected by members and the GPiT Chair sits on the Board of the RACGP

Registrar Liaison Officer (RLO):

- Focus: registrar peer support
- Current RACGP registrar
- Liaison between stakeholders including the practice, supervisor, registrar and training team
- Provide feedback to the RACGP regarding training experiences including policies / processes and areas of concern for registrars
- Provide wellbeing support and pastoral care to registrars
- Reports to the GPiT Faculty

Practice Manager Liaison Officer (PMLO):

- As for RLO but for practice managers

Supervisor Liaison Officer (SLO):

- As for RLO but for supervisors

External Support

General Practice Registrars Australia (GPRA):

- Focus: Training and employment issues, contracts, remuneration, setting/reviewing the national employment terms and conditions (NTCER)
- The national independent peak body for future GPs/RGs established by registrars for registrars
- Role is to promote and attract early career doctors to general practice, advocacy and to provide additional employment advisory, education and exam preparation assistance
