

Section A: Introduction and instructions

This document is utilised to reflect on and confirm experiences and learning from an approved ADF overseas extended skills training placement. The aim of the extended skills term placement is to allow the registrar to further their knowledge and skills in an area of interest or in need of development. Completion of this summary report provides the final stage of approval for a placement and confirms inclusion of the placement as training time.

Summary report submission instructions

Within three months of completion of the overseas extended skills placement, the registrar must reflect on the placement with their medical educator and prepare this summary report.

The National Accreditation Unit will prompt this report via email to the registrar.

The report must be accompanied by an updated learning plan reflecting on the experience and learning opportunities undertaken during the placement. To be accepted as part of training time, all documentation must be submitted to the RACGP for consideration and approval.

1. The registrar completes the summary report template below.
2. The registrar accesses their retained copy of Appendix: A Learning plan completed as part of the placement application and updates to reflect learning outcomes.
3. The supervisor reviews and signs Appendix A: Learning plan to confirm the learning experiences.
4. The registrar submits the updated learning plan and summary report to the training coordinator and regional medical educator (with ADF portfolio) as appropriate
5. The regional medical educator completes Section C.

Regional teams and censors may include the National Lead Medical Educator – ADF at any time to clarify eligibility and placement requirements.

6. The ME forwards the summary report and associated documentation to the National Accreditation Unit via adf@racgp.org.au.
7. The National Accreditation Unit will forward the completed summary report and associated documents to the RACGP censor to review, complete relevant section and return signed report to adf@racgp.org.au.
8. The National Accreditation Unit will provide written confirmation of completion to the registrar, with cc to the training coordinator.
9. The Accreditation Unit will forward the report and liaise with the National Lead Medical Educator – ADF for oversight.
