Semester 2

As the number of GPT1 registrars commencing in semester 2 is significantly smaller than those who entered in semester 1, there has been a change of approach to how the workshop program is delivered. Additional information is being supplied to stakeholders by email and at orientation.

GPT1 registrars will attend their orientation sessions with registrars from other Victorian regions as outlined below, and then several region specific GPT1 webinars/sessions. After orientation, they will join GPT2 workshops as shown.
