

2025.2 GPT1 and GPT2 Registrar Out-of-Practice Education Program

Training region: South East Queensland

Subregion: Sunshine Coast

Local area: Maroochydore – Blue Hub (RACGP Maroochydore Office – level1, unit 15/27 Evans St, Maroochydore 4558)

Registrars must attend the RACGP's out-of-practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio.

The out-of-practice education program comprises a mix of large group and small group activities facilitated either face to face or via an online platform. The peer-led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

Please note:
