2026.2 GPT3 Registrar Out-of-Practice Education Program

Training region: Lower Eastern New South Wales
Subregion: Upper South Eastern New South Wales

GPT3 registrars attend the RACGP's out of practice education program during their GPT3 term as this is a requirement for all registrars to Fellow. The program may include a mix of peer led small group learning and larger sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

Registrars are required to attend 24 hours in GPT3 term. Hours are counted differently when face-to-face or when online, please refer to the education column for hours accrued and not the time column.

In peer led small group learning workshops, registrars will work with their peers and ME(s) on topics from the RACGP *Curriculum and syllabus*. These sessions will be semi-structured and tailored to the learning needs of the group. Registrars will be assigned to Small Groups on designated days and times according to their geographical location. Registrars will receive further details about which small group learning group they need to attend closer to the commencement of the 2026.2 term. In the meantime, please direct any questions to your Training Coordinators.

Please note, registrars in Lower South Eastern NSW (as indicated below the green line) attend the Murrumbidgee ACT workshops in Canberra to support safe travel. This applies to locations such as the Southern Tablelands, Snowy Mountains, Mid and Far South Coast. Please refer to combined WNSW MACT - Lower South Eastern NSW calendar.
