Post-Exam support for registrars sitting the AKT & KFP exam in 2026.2

Post-exam support is by invitation only, registrars required to attend will be notified in due course. Registrars attending post-exam AKT/KFP support workshops, should also attend all pre-exam AKT/KFP support workshops. The post-written exam workshops are strongly recommended, but they are not mandatory for all registrars who are resitting exams. For some registrars, attendance at the workshop may form part of a requirement of a focused learning intervention plan (FLI) or remediation plan. If this applies to you, ensure you have discussed attendance with your medical educator (ME).
