

2026.2 Additional Educational program

Training region: Queensland

Queensland offers additional education events for registrars. Content for the additional education program is optional or by invitation, Registrars can choose which events they wish to attend depending on their educational needs and stage of training. Some sessions are by invitation only and are catered towards registrars with identified specific needs.

Registrars are encouraged to attend as many sessions as possible as they will assist their progression towards independent clinical practice and attaining their Fellowship.

Registrars can self-register for these events when invitations are sent.

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.
