2026.2 GPT1 and GPT2 Registrar Out-of-Practice Education Program

Training region: Victoria
Sub-region: Rural South East

Registrars must attend the RACGP's out-of-practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio.

The out-of-practice education program comprises a mix of large group and small group activities facilitated either face to face or via an online platform. The peer-led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the RACGP *Curriculum and syllabus*.

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

Please note:

- Any enquiries regarding the program can be directed to the Program Support Officer for the Rural South East region at vicrse.pso@racgp.org.au
- Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.

2026.2: GPT1

GPT1 registrars commencing in semester two (2026.2) will attend their Orientation Workshop and Day in the Life of GP Webinars, with registrars from other Victorian subregions (see table immediately below).
Following these events, GPT1 registrars who begin in 2026.2 will join their subregion's out-of-practice education program as shown in the 2nd table (2026.2: GPT1 & 2)
