

2026.2 GPT3 Registrar Out-of-Practice Education Program

GPT3 registrars attend the RACGP's out of practice education program during their GPT3 term as this is a requirement for all registrars to Fellow. The program may include a mix of peer led small group learning and larger sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

Registrars are required to attend 24 hours in GPT3 term. Hours are counted differently when face-to-face or when online, please refer to the education hours column for hours accrued and not the time column.
