

## 2026.1 GPT1 and GPT2 Registrar Out-of-Practice Education Program

**Region: Victoria**

**Subregion: Metro East**

Registrars must attend the RACGP's out-of-practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio.

The out-of-practice education program comprises a mix of large group and small group activities facilitated either face to face or via an online platform. Workshops include both large group and small group activities, whilst the peer-led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

**Please note:**

- The Program Support Officer(s) for the Metro East region can be contacted at [vicme.pso@racgp.org.au](mailto:vicme.pso@racgp.org.au)
- Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.
- Each registrar will be allocated to group (either Group A or Group B).
- Registrars will receive an email indicating which group they are in and therefore which calendar dates apply.
- The RACGP address for out-of-practice events is Level 1, 100 Wellington Parade, East Melbourne VIC 3002

\*Please note:

Small group learning sessions comprise a combination of:

- registrar experience driven learning.
- registrar priority topics - both registrar and medical educator facilitated; and,
- agreed topics facilitated by medical educator and/or guest speakers

Topics addressed in small group learning sessions will be planned with registrars and shared prior to the sessions.
