

2026.1 GPT3 Registrar Out-of-Practice Education Program

Region: Victoria

Subregion: Rural South East

Registrars must attend the RACGP's out-of-practice education program during their GPT3 term as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio.

The GPT3 out-of-practice education program comprises a mix of whole group and small group activities facilitated either face to face or via an online platform.

An evening webinar program is facilitated at a Victoria-wide level.

- Registrars can choose the sessions to attend based on own interest areas.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).
