

# 2026.1 GPT1 and GPT2 Registrar Out-of-Practice Education Program

## Training region: Tasmania

Registrars are invited to attend the RACGP's out-of-practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio. As these are a compulsory part of training, if you cannot attend a session, please contact your medical educator or training coordinator.

The out-of-practice education program comprises a mix of large group and small group activities facilitated either face to face or via an online platform. The peer-led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

### Please note:

- Please direct questions regarding large or peer led small group learning (SGL) workshops to Medical Educator: [rachael.boland@racgp.org.au](mailto:rachael.boland@racgp.org.au) OR
- The Regional Education Support Officer for the workshops, Danielle Hudson, who can be contacted via email at: [tas.trainingsupport@racgp.org.au](mailto:tas.trainingsupport@racgp.org.au)
- Registrars will receive further details about each out-of-practice education event, prior to the date.
