

2026.1 GPT3 Registrar Out-of-Practice Education Program

Training region: Tasmania

Registrars must attend the RACGP's out-of-practice education program during their GPT3 term as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio.

Registrars are required to attend 24 hours in their GPT3 term.

The out-of-practice education program comprises a mix of large group and small group activities facilitated either face to face or via an online platform. The peer-led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#)

Please note:

- Please direct questions regarding large or peer led small group learning (SGL) workshops to Medical Educator: rachael.boland@racgp.org.au OR
- The Regional Education Support Officer for the workshops, Danielle Hudson, who can be contacted via email at: tas.trainingsupport@racgp.org.au
- Registrars will receive further details about each out-of-practice education event, prior to the date.
