

## 2023 AGPT Additional Registrar Webinar Series NSW & ACT

The registrar webinar series are in addition to the mandatory out-of-practice registrar education program and for registrars across NSW & ACT. Whilst these webinars may not be mandatory, it is highly recommended you attend the ones relevant to you.

The table below outlines the specific webinars and the group of registrars each webinar is targeted towards.

We hope you find these important webinars useful as an adjunct to your education and training.
