

## COVID-19 Vaccine Resources for Multicultural Communities April 2022

Access newly-developed translated  
resources from the Department of  
Health website

The Department of Health has developed downloadable, translated resources and information about COVID-19 vaccines in Australia.

This email contains the following translated resources:

- Radio advertisement encouraging booking a COVID-19 booster
- Fact sheet about the COVID-19 winter dose
- Fact sheets about how to use rapid antigen tests
- Videos from parents talking about why they chose to get their children vaccinated.

**Share these resources with your  
communities or on your social  
channels**

---

## Boost campaign

This radio advertisement encourages eligible people to stay up-to-date with their vaccination status by booking a COVID-19 booster.

## In-language videos of parents talking about COVID-19 vaccinations for their children

In these videos, parents talk about why they chose to vaccinate their children against COVID-19. The videos are available in Arabic, Cantonese, Greek, Mandarin and Punjabi.
