

Updating your biography or profile

IF YOUR BIO OR PROFILE IS OUT OF DATE – SIMPLY SEND US AN UPDATE

If your biography or profile was written a while ago and you would like to bring it up to date, you are encouraged to write an update which will be added to the end of the existing piece. The idea being to tell readers about what you have been doing and what you have achieved since the original piece was written. Doing the updates in this way keeps the process simple for you and for the History team.

Brief updates will be used either as is or with minimal editing as needed to align with RACGP publication standards. More comprehensive and detailed updates may require more substantial editing, in which case the final version will be sent to you for your approval before being published to the website.

Please submit your biography or profile update to: history@racgp.org.au
