STOP

INFLUENZA PANDEMIC

STOP

STOP

As you may be aware Australia is currently experiencing an influenza pandemic.

Before entering this general practice please ensure you:

- notify reception staff if you have a fever and one or more of runny nose, cough, headache, rash, vomiting, sore throat or diarrhea

- take precautions to stop the spread of germs by covering your cough or sneeze

- clean your hands after coughing or sneezing

- ask reception staff if you would like a face mask to prevent the spread of germs

- consider if your visit to your GP today is urgent, if not rebook your appointment

If you require further information about the influenza pandemic please speak to our reception staff or you may wish to call the Commonwealth Health Line on 1800 004 599.
