*This full-day workshop is designed to assist International Medical Graduates (IMGs) in preparing for the Objective Structured Clinical Examination (OSCE).*

The workshop aims to provide candidates with:

- outline of clinical exam components
- suggestions on how to improve communication skills
- role-playing practice with feedback from examiners
- information on successful clinical exam techniques.

The workshop provides candidates opportunities to role-play short, long, physical examination and viva cases. Experienced WA examiners facilitate each session.

## Important information

Places are strictly limited so candidates are encouraged to register early.

A full refund is provided if you are unsuccessful in the AKT/KFP exams and do not wish to proceed with the workshop. Submit withdrawals prior to the close of registrations to receive a full refund. Late withdrawals will incur a \$50 admin fee. Email withdrawal requests to [wa.exams@racgp.org.au](mailto:wa.exams@racgp.org.au)

It is highly recommended that participants complete the Exam Support Online Modules on the OSCE available on **gplearning** prior to attending the series.
