

2025.1 GPT3 Registrar Out-of-Practice Education Program

Region: Victoria

Subregion: Rural South East

Registrars must attend the RACGP's out-of-practice education program during their GPT3 term as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio.

The GPT3 out-of-practice education program comprises a mix of whole group and small group activities facilitated either face to face or via an online platform such as Zoom.

In 2025.1, GPT3s will attend two workshop days and a half day webinar, facilitated in the registrar's subregion.

An evening webinar program is facilitated at a Victoria-wide level.

- Registrars are required to attend six hours of the evening webinar program.
- Registrars can choose the sessions to attend based on own interest areas.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

Please note:

- The Program Support Officer for the Rural South East region can be contacted at vicrse.pso@racgp.org.au
- Registrars will receive further details about each out-of-practice education event, prior to the date.
