

QLD GP Training – Supervisor and Practice Manager Update | April 2026 Edition

Dear Supervisors and Practice Managers,

Welcome to the April edition of professional development updates from your friendly QLD GP Training Team.

Note that we have the following sections below:

- Regional Update
- Supervisor Update
- Practice Manager Update

Regional Update

QLD GP Training Website

Site is now available as a central location to source of updates for Supervisors, Practice Manager and Registrars relating to GP Training in Queensland.

We will update this website with information as new initiatives and resources are made available.

Supervisor Update

A word from your Supervisor ME Team

Introducing registrars to Aged Care

Those of us who have visited Aged Care facilities for years tend to forget how daunting those quiet institutions felt when we first stepped through the sliding doors. A maze of rooms; shoving armchairs out of the way to get access to dimly lit bedside examination; support staff who looked surprised if we asked them a question.

In all my years in supervisor education, I have never seen a session on introducing your registrar to aged care, so when Brisbane North GP Bahram Adeli told me he runs education on that topic, I jumped at the chance.

Join Bahram and your peers to hear how they orient registrars, help them become effective and efficient, and bill appropriately afterwards. After all, when it comes to ensuring the next generation of doctors is skilled at looking after the health of older folk, we all have a long-term vested interest!

Dr Justin Coleman

Upcoming workshops

To register your attendance, please follow the registration links below. Please note that individual registrations are required for each workshop, as a unique join link will be sent to you upon registration. If you have not received your link, please check your junk mail inbox as emails may be filtered. Kindly be advised that webinar registrations close 24 hours prior to commencement, and face-to-face workshop registrations close two weeks prior to commencement. We encourage you to register early to avoid missing out.

Practice Manager Update

Practice Manager Professional Development Offerings

The RACGP recognises the support and leadership that Practice Managers play in ensuring smooth running of their practices, whilst also ensuring they keep abreast of GP Training requirements.

To ensure our wonderful PMs are supported, our team in QLD GP Training have broadened our offerings by providing these more locally.

Our PM Liaison Officer, Trish Cuthbert has worked tirelessly with our leadership team to ensure offerings are regular and address the needs our PMs across the state.

We have captured these offerings in the link below:

[Practice Manager Professional Development Education Calendar 2026](#)

Offerings include:

- **PM Power Hours**, designed as a forum for Community of Practice with other PMs, to come and discuss wins, challenges and issues with their peers, or a subscribed topic based on updates from around the GP community or the College.
- **Practice Manager Workshop Days**, these will be full day workshops (10am to 4pm); delivered locally across Qld. This is to provide an opportunity for connection amongst local peers; discuss common topics of interest, and the health and wellbeing of our PMs, acknowledging they are in most instances the only PM within the practice.

We hope the above offerings provide an opportunity for connection and uplifting of knowledge for our PMs on all things GP training in Qld.

Practice Managers Power Hour:

To ensure that our Practice Managers stay connected and up to date on all things GP Training in Queensland; we have our next offering of the Practice Manager Power Hour on:

Date: Wednesday, 29 April

Time: 12pm – 1pm.

Connection: [Here](#)

A link to submit questions about the topics being discussed at this session will be emailed to you 2 weeks prior to the session as part of your invitation.

Please remember, you can also lodge any questions/issues you might have at any time by using [Practice Manager Power Hours & Workshop – Fill in form](#)

Again, thank you for your ongoing support, and contribution to GP training, if there is anything we can support you with, please reach out to your local training coordinator, or email Qldeducationsupport@racgp.org.au
