

### 2025.1 GPT3 Registrar Out-of-Practice Education Program

GPT3 registrars attend the RACGP's out of practice education program during their GPT3 term as this is a requirement for all registrars to Fellow. The program may include a mix of large group and peer led small group learning sessions, facilitated either face to face or via on online platform such as Zoom. Attendance contributes to their education hours within the registrar's TMS portfolio.

#### Registrars are required to attend 24 hours in GPT3 term.

In 2025.1, GPT3s will attend two peer led small group learning (SGL) workshop days (14 hours total) and one half day large workshop, The Business of GP (4 hours). Registrars can supplement the Education hours requirement with attendance at optional activities.

- Online Webinars. Registrars can choose which sessions to attend based on own interest areas.
- Exam preparation sessions. (See the regional offerings calendar for details)

The out-of-practice education program is underpinned by the RACGP Curriculum and syllabus.

# 2025.1 GPT3 Registrar Out-of-Practice Education program for Barossa / Adelaide Hills region. Medical Educator: Dr Grant Baker
