

2025.1 GPT1 and GPT2 Registrar Out-of-Practice Education program

Training region: Northern Territory

Registrars must attend the RACGP's out-of-practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. Attendance contributes to their education hours within the registrar's TMS portfolio. Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

The out-of-practice education program comprises a mix of large group and small group activities facilitated either face to face or via an online platform such as Zoom. The peer-led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#)

Please note that these dates may be subject to change. Whilst the RACGP will endeavour not to make any changes, should a change be required due to unforeseen circumstances, we will notify you as soon as possible. Should you have any questions with regards to the education calendar please contact: NT Operations Team – NT.trainingsupport@racgp.org.au
Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.
