

# 2025.1 GPT1 and GPT2 Registrar Out-of-Practice Education Program

**Training region: South-East Queensland**

**Subregion: Brisbane North, Albion Hibiscus Hub**

**Registrars must attend the RACGP's out of practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. The program consists of peer led small group learning and larger group sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.**

The out-of-practice education program comprises a mix of large group and small group activities. The peer led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

- Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.

**Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.**
