

2025.1 GPT1 and GPT2 Registrar Out-of-Practice Education program

Training region: South East Queensland

Subregion: Sunshine Coast

Local area: Beerwah (Beerwah library – 25 Peachester Road, Beerwah 4519)

Registrars must attend the RACGP's out of practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. The program consists of peer led small group learning and larger group sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

The out-of-practice education program comprises a mix of large group and small group activities. The peer led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

Please note:

- Any enquiries regarding the program can be directed to qld.gptop.sc@racgp.org.au
- Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

Medical Educators: Dr Mankul Singh and Dr Rebecca Lyon

Date	Time	Education hours	Name of Event	Registrar Group	Type	Content details of event	Location	Contact
