

2025.1 GPT1 and GPT2 Registrar Out-of-Practice Education Program

Training region: Western NSW

Subregion: Western NSW

Registrars must attend the RACGP's out of practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. The program consists of peer led small group learning and larger group sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

In the peer led small group workshops, you'll work with your peers and the ME(s) on topics from the [RACGP Curriculum and syllabus](#). These sessions will be semi-structured and tailored to the learning needs of the group.

Registrars will receive further details about which small group learning stream they will need to attend closer to the commencement of the 2025.1 term. In the meantime, please direct any questions to your Training Coordinator.

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.
