

## 2025.1 GPT3 Registrar Out-of-Practice Education program

### Training region: Queensland

GPT3 registrars attend the RACGP's out of practice education program during their GPT3 term as this is a requirement for all registrars to Fellow. The program may include a mix of large group and peer led small group learning sessions, facilitated either face to face or via on online platform such as Zoom.

#### Registrars are required to attend 24 hours in GPT3 term.

In 2025.1, GPT3s will attend two workshop days and can supplement the Education hours requirement with attendance at optional activities.

- Online Webinars. Registrars can choose which sessions to attend based on own interest areas.
- Exam preparation sessions. (See the regional offerings calendar for details)

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

### 2025.1 GPT3 Registrar Educational program for North-Western QLD region.

#### Mandatory face to face sessions
