

2025.1 Additional education program (optional)

Training region: Queensland

In 2025, Queensland will offer additional education events for registrars. Content for the additional education program is optional or by invitation, Registrars can choose which events they wish to attend depending on their educational needs and stage of training. Some sessions (eg Intensive KFP) are by invitation only and are catered towards registrars with identified specific needs.

Registrars are encouraged to attend as many sessions as possible as they will assist their progression towards independent clinical practice and attaining their Fellowship.

Registrars can self-register for these events when invitations are sent.

Please note:

- Any enquiries regarding the program can be directed to QLDEducationSupport@racgp.org.au
- Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.

Registrars are required to attend: 54 hours in GPT1, 48 hours in GPT2 terms and 24 hours in GPT3. This additional education program is to support registrars in achieving their required hours for each term.
