Semester 2

As the number of GPT1 registrars commencing in Semester 2 is significantly smaller than those who entered in Semester 1, there has been a change of approach to how the workshop program is delivered. Additional information will be communicated to stakeholders by email and at orientation. GPT1 registrars will attend their orientation sessions with registrars from other Victorian regions. After orientation, the GPT1 registrars who being in 2024.2 will join GPT2 workshops as shown.
