

2025.1 GPT3 Registrar Out-of-Practice Education Program

GPT3 registrars attend the RACGP's out of practice education program during their GPT3 term as this is a requirement for all registrars to Fellow. The program may include a mix of peer led small group learning and larger sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

Registrars are required to attend 24 hours in GPT3 term.

In peer led small group workshops, registrars will work with their peers and ME(s) on topics from the [RACGP Curriculum and syllabus](#). These sessions will be semi-structured and tailored to the learning needs of the group. Registrars will receive further details about which small group learning stream they will need to attend closer to the commencement of the 2025.1 term. In the meantime, please direct any questions to your Training Coordinator.

Please note, registrars in lower South Eastern NSW (as indicated by the green line) attend the ACT Murrumbidgee workshops in Canberra to support safe travel. This applies to locations such as the Southern Tablelands, Snowy Mountains, Mid and Far South Coast.
