

## Program 2022

All Royal Australian College of General Practitioners (RACGP) members have free online access and optional hard copy subscriptions to the *check* Program.

The *check* Program is a monthly continuing professional development (CPD) activity and independent learning program developed by the RACGP.

Each *check* case, written by expert clinicians, includes a brief clinical scenario followed by a series of points designed to bring out the important issues for GPs to consider in the clinical history, examination, investigation and the management of patients.

### CPD Program

Each *check* Program unit provides an opportunity for GPs to attain six Category 2 points in the RACGP CPD Program.

Individual activities involve reading and completing the unit, then answering 10 multiple choice questions at <http://gplearning.racgp.org.au>

Once your order has been lodged we will issue an invoice for payment.  
Your order will be dispatched once full payment has been received.  
Please allow up to 14 days from the date of payment for delivery of goods.
