

RACGP

2025 GPT1 and GPT2 Registrar Educational program

Training region: South Easter Queensland

Subregion: Darling Downs West Moreton

Local area: Jacaranda

Registrars must attend the RACGP's out of practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. The program consists of peer led small group learning and larger group sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

In the peer led small group workshops, you'll work with your peers and the ME(s) on topics from the [RACGP Curriculum and syllabus](#). These sessions will be semi-structured and tailored to the learning needs of the group.

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

Medical Educator(s) Dr Phil Stark & Dr Laetitia Botha
