

2025.1 GPT1 and GPT2 Registrar Out-of-Practice Education Program

Training region: Hervey Bay

Subregion: South QLD

Registrars must attend the RACGP's out of practice education program during their GPT1 & GPT2 terms as a requirement to Fellow. The program consists of peer led small group learning and larger group sessions. Attendance contributes to their education hours within the registrar's TMS portfolio.

The out-of-practice education program comprises a mix of large group and small group activities. The peer led small group learning (SGL) sessions are specifically focused on registrars working in a stable group with their peers and medical educators. The small group learning sessions are semi-structured and tailored to the learning needs of the group.

The out-of-practice education program is underpinned by the [RACGP Curriculum and syllabus](#).

Please note:

- Any enquiries regarding the program can be directed to qld.gptop.cq@racgp.org.au
- Registrars will receive further details regarding the program for each out-of-practice education event, prior to the date.

Registrars are required to attend 54 hours in GPT1 and 48 hours in GPT2 terms.

Date	Time	Education hours	Name of Event	Registrar group	Type	Content details of event	Location
