The RACGP Board of Directors has established the following Expert Committees:

- RACGP Expert Committee – Funding and Health System Reform.
- RACGP Expert Committee – Quality Care.
- RACGP Expert Committee – Research.
- RACGP Expert Committee – Standards for General Practices.
- RACGP Expert Committee – Practice Technology and Management.

Key Selection Criteria

1. Strong community and professional networks and linkages across the health sector in order to monitor trends and recommend suitable innovations for RACGP programs.
2. Well informed of national and international developments in general practice within the Committee's area of responsibility.
3. Specific experience and expertise within some or all aspects of the REC's area of responsibility.
4. Demonstrated experience in contributing expertise to the development of position statements, submissions, guidelines, resources and other tools aimed at supporting the profession.
5. The capacity to commit to the Committee and its associated activities over the three year term, including provision of advice and comment on consultation documents (for previous members of the Committee renominating, the selection process will consider attendance record at meetings and contribution to the work of the Committee, including the development and delivery of its annual workplan).
6. Previous experience working with a multidisciplinary group/committee through building collaboration.
7. Current financial membership of RACGP.

Leadership responsibilities:

- Work at all times within the strategic and policy directions of the RACGP.
- Be equally accountable and responsible for acting according to the principles associated with being a member of the Committee.
- Act at all times in good faith in the interests of the RACGP.
- Promote a favourable image of the RACGP.
