<p><u>Plan added to the patient’s records?</u></p>	<input type="checkbox"/> Yes		<input type="checkbox"/> No	

Other healthcare providers and service providers involved in patient's care

(e.g. psychologist, psychiatrist, social worker, occupational therapist, other GPs, other medical specialists, case worker, community mental health services,)

Role	Name	Address	Phone

COMPLETING THE PLAN

On completion of the plan, the GP may record (tick boxes below) that s/he has:

- discussed the assessment with the patient
- discussed all aspects of the plan and the agreed date for review
- offered a copy of the plan to the patient and/or their carer (if agreed by patient)

Date plan completed

--

RECORD OF PATIENT CONSENT

I, _____ (*name of patient or guardian*), agree to information about my/my charge's health being recorded in my medical file and being shared between the General Practitioner and other health care providers involved in my/his/her care, as nominated above, to assist in the management of my/my charge's health care. I understand that I must inform my GP if I wish to change the nominated people involved in my/my charge's care.

I understand that as part of my/my charge's care under this Mental Health Treatment plan, I/he/she should attend the General Practitioner for a review appointment at least 4 weeks after but within 6 months after the plan has been developed.

I consent to the release of the following information to the following carer/support and emergency contact persons:

Name	Assessment		Treatment Plan	
	Yes	No	Yes	No
	<input type="checkbox"/> with the following limitations:	<input type="checkbox"/>	<input type="checkbox"/> with the following limitations:	<input type="checkbox"/>
	<input type="checkbox"/> with the following limitations:	<input type="checkbox"/>	<input type="checkbox"/> with the following limitations:	<input type="checkbox"/>

_____ / / _____
(Signature of patient or guardian) (Date)

I, _____, have discussed the plan and referral(s) with the patient.
(Full name of GP)

_____ / / _____
(Signature of GP) (Date)

REVIEW

MBS ITEM NUMBER: 2712 2719

Planned date for review with GP
(initial review 4 weeks to 6 months after completion of plan)

Actual date of review with GP

Assessment/outcome tool results on review.
except where clinically inappropriate

Comments

Consider:

- Progress on goals and actions
- Have identified actions been initiated and followed through? e.g. referrals, appointments, attendance
- Checking, reinforcing and expanding education
- Communication
- Where appropriate, communication received from referred practitioners
- Modification of treatment plan if required

Intervention/relapse prevention plan (if appropriate)

Consider:

- Identify warning signs from past experiences
- Note arrangements to intervene in case of relapse or crisis
- Other support services currently in place
- Note any past effective strategies
